Job ID: #JOB52/2019

Job Description

Job Title: Professor, specialist in the computational material science

Job Summary:
The winning candidate will conduct studies in the field of theory of condensed matter. The calculations will be performed within the frame of the density functional theory based on approximations such as LDA or LDA+U.

Job Description:
The research area includes the materials of current experimental and theoretical interest in the Institute of Physics PAS, and will be conducted in collaborations with other divisions of the Institute and other centers active in this area.

In particular, the research topics cover semiconductors doped with transition metal ions, and/or containing point native defects. A second class of materials are topological crystals, in particular the IV-VI compounds and their alloys.

The candidate must have a long term experience, documented by an adequate list of publications, in conducting theoretical research in the field of solid state physics, including first principles calculations.

The candidate must have the title of professor or a habilitation in the field of physical sciences.

Main research field: Physics

Sub Research Field: Theory of the solid state

Experience: Senior scientist with many-years of documented work

Research Profile (details): Leading researcher (R4)

Type of Contract: Three years contract with possibility of prolongation

Status: Part time (49%)

Salary: 3200 PLN per month (before taxes)

Contact

More information can be obtained from Prof. Łukasz Cywiński
(e-mail: lcyw@ifpan.edu.pl, tel.: +48 22 116 3459)

Application details

Application deadline: November 21st, 2019. Later application may also be considered.

Required materials (in Polish or English):

- Motivation letter
- Copy of awarding the title of professor or doctor-of-science diploma
- List of publications
- Information on scientific achievements
- Curriculum Vitae
- Scientific plans connected with the employment
• Consent to process your personal data

All materials should be submitted in electronic form to the address: jobs@ifpan.edu.pl with Job ID #JOB52/2019 in the subject.
DATA PROCESSING UNDER CONSENT FOR THE PURPOSES OF RECRUITMENT

Under Art. 13 sections 1 and 2 of the Regulation of the European Parliament and of the Council (EU) 2016/679 of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Resolution), EU OJ L 119 of 04.05.2016, page 1, as amended, hereinafter referred to as “GDPR”, we hereby inform as follows:

1. The Data Controller of the provided personal data is the Institute of Physics of the Polish Academy of Sciences, Al. Lotników 32/46, 02-668 Warsaw, phone (22) 116-2111, e-mail director@ifpan.edu.pl.
2. Contact details to the Data Protection Officer are as follows: e-mail iodo@ifpan.edu.pl.
3. Your personal data shall be processed for the purpose of carrying out the recruitment process for the position of Professor, specialist in computational material science.
4. Processing of your personal data in scope of: full name, date of birth, correspondence address, information about education and course of past employment shall take place under Art. 22¹ § 1 of the Act of 26 June 1974 - Labour Code. In the scope in which you sent to us more personal data than indicated above, we process your data under the consent granted by you.
5. Your personal data shall be stored for 1 month from completion of the recruitment process. If you grant consent for processing of personal data for future recruitments, we shall process your data until withdrawal of the consent by you, however, no longer than for the period of 6 months from the day of submittal of the application by you.
6. Provision of the abovementioned data in the scope indicated above is a statutory requirement resulting from Art. 22¹ § 1 of the Act of 26 June 1974 - Labour Code, in the remaining scope it is voluntary. Failure to provide the data referred to in Art. 22¹ § 1 of the Act of 26 June 1974 - Labour Code precludes consideration of your candidacy for the offered position.
7. You have the right to access your personal data, to rectify them, erase them, restrict their processing.
8. You may submit a complaint to the Inspector General for the Protection of Personal Data.
9. You have the right to withdraw the consent to process your personal data in the scope in which they were provided at any time. Withdrawing the consent does not affect the lawfulness of processing carried out on the basis of consent before its withdrawal.

Consent content:

☐ I grant my consent to the Institute of Physics of the Polish Academy of Sciences to process my personal data contained in the sent recruitment documents for the purpose of carrying out the recruitment process for the position of Professor, specialist in computational material science.

If you want us to consider your candidacy also in the future recruitment processes, please grant the additional consent:

☐ I grant my consent to the Institute of Physics of the Polish Academy of Sciences to process my personal data contained in the sent recruitment documents in future recruitment processes taking place during 6 months from the day of appearance of this job advertisement.
